Teaching

2015 - Present

Adjunct, Foundation Department, College for Creative Studies, MI, USA
 Courses: Digital Fundamentals (Hybrid)

1. Taught students the basics of using digital softwares like Adobe Photoshop, Illustrator, Indesign and pdf portfolio.
2. Provided materials, work examples, and demo of what was expected with every assignment including art history references to use design in various fields like photography, videography, digital media, graphic design, advertising, package designing, industrial designing, digital painting, motion graphics and many more.
3. Designed the course syllabus, teaching philosophy, learning materials, and projects according to the pre-existing course requirements as set by the foundation department for this course.
4. Performed Student group critiques and graded the student projects.

2014 - 2015

Workshop Instructor at Cranbrook Academy of Art.

Conducted several graduate level Indesign, Photoshop and Video editing workshops

2011 - 2014

Teaching Assistant, American University in Dubai, Dubai, UAE

Courses: Darkroom Photography, Underwater Video, 3D Design, Motion Graphics, and Printmaking

- Darkroom Photography
 1. Taught students about the basics of photography.
 2. Instructed students in the operation of manual cameras, including camera controls, composition and style.
 3. Provided materials, work examples and instructional training to students during lab hours.
 4. Helped tutor in the areas of art history, photographs, teaching philosophies and state standards.
 5. Taught students to take photos and operate different cameras as the teacher assistant.
 6. Taught the foundation level photography students to develop black and white films as well as print them in the darkroom.
 7. Taught the advance darkroom photography students how to use the lighting studio
 - Underwater Video
 1. Taught students how to use digital camera equipments underwater like Cannon Mark 5D with underwater casing and Go Pro.
 2. Taught video editing softwares like Final Cut Pro X and Adobe Premium Pro.
 3. Provided materials, work examples, and demo of what was expected with every assignment including art history references.
 4. Brought the opportunity for students to shoot video adverts for Atlatis, a water theme park in Dubai encouraging them to work as a professional video editing team.
 - 3D Design
 1. Taught 3D design foundation students how to use carpentry tools in a safe way.
 2. Helped supervise the sculpture and 3D design students in the woodcut workshop during lab hours.
 - Printmaking
 1. Taught students the technical aspect of etching, aquatints and monoprints.
 2. Supervised the students in the printmaking lab.
 3. Provided materials, work examples and instructional training to students.
